# GOALS

## UNTRASHING

to investigate materials and processes together (with fellow researchers) for revaluing things within the urban setting

## CARE AS ACTIVISM

to come up with methodologies to decolonize and democratize climate action in the ways of dealing with waste // *gawang malaya at mapagpalaya //*

## SERIOUS PLAY

to present playful, fun, curious and collaborative material transformations

# POSITIONALITY

**Healthy**  
**Able-bodied**  
**Educated**  
**Not in poverty**  
**Safe**  
**Good support system**

~ those who are closest to the problem  
have the least power to act ~

## GROUNDING

# DESIGN WITH VALUES

D. HARAWAY'S ODDKIN

A SHARED INNER SELF
